

Embark on an Exploratory Journey with TIE-IN: Teacher Industry Experiences in Indiana!

Elevate your teaching and ignite your creativity with Teacher Industry Experiences in Indiana (TIE-IN), an exclusive initiative designed to bridge the classroom with the dynamic world of industry. This pioneering program, brought to life through a partnership with the Indiana Department of Education and Central Indiana Educational Service Center's Keep Indiana Learning team, is open to all licensed Indiana educators, including PK-12 classroom teachers, counselors, media specialists, and instructional coaches.

3 Unique Options for Exploration and Growth!

-  **Formal Coursework:** Dive into industry courses from state universities which reflect the latest industry trends and content focused strategies.
-  **One-on-One Teacher Experience:** Customize your journey with a deep dive into a specific business, industry, or organization by enjoying a personalized externship experience.
-  **Immersive Industry Experiences:** Select from a diverse menu of single-day visits across Indiana, offering a broad view of multiple businesses, industries, and organizations.

Why TIE-IN?

-  **Explore and Engage:** Immerse yourself in industries from advanced manufacturing and engineering, health care, business and information technology, hospitality and tourism, performing arts and digital media, and so many more! You will gain first hand insights to enrich your curriculum and create future-focused learning experiences for your students.
-  **Connect and Grow:** Build lasting connections with industry leaders and educators, expanding your professional network and collaborative opportunities.
-  **Create and Innovate:** Participants will develop a multimedia summary project which integrates your experiences into real-world applications for your students. Development will be supported by our dedicated Community of Practice, and final projects will be hosted in the IN Learning Lab.

Compensation available!

Educators who complete the TIE-IN experiences are eligible for a stipend and reimbursement for online course fees.
