

## **A Day in My Rose Garden Classroom Guide**

Welcome to the training for today!

Use this guide to answer questions and gather information as we traverse through the information.

1. Thinking of the parts of a rose, how would you compare the rose to a child?
2. What objectives would you like to learn the most about today?
3. What does it mean to self-reflect?
4. Do you have specific rituals in your classroom? Name a few.
5. What does resilience mean to you? Take a minute and think of a time that you had to be resilient.
6. What are some of the benefits of powerful interactions?
7. What is your favorite circle time routine that works well for you?
8. Do you use a management system for your center time? What is it?

9. Are observations and documentation a strong or needs improvement area for you?

10. Are you sharing your assessment information with your parents? How?

11. What are the specific downtimes that occur in your classroom? What can you do to amend or fill that time?

12. What are your take-aways from today?
